

Hello Second City + Second City Film School Students!

We are excited to be opening our doors once again for in-person classes and shows! It's been great to already see some happy faces around the building.

To continue our commitment to a safe environment conducive for learning, **The Second City will be requiring proof of COVID-19 vaccination for in-person students in our Chicago building effective July 5th, 2021.** On or before that date, all in-person students must be fully vaccinated, meaning you have received all applicable doses of your respective vaccine + the recommended 2 week waiting period after your final dose.

Here's what that means :

- When you arrive on your first day of class, we will ask you to show your vaccination card at a check-in desk (either the physical paper or a photo of it on your phone)
- You will not be admitted to your class without proof of vaccination
- If you are not vaccinated by July 5th 2021, we will transfer you to an online class or provide a different option for your enrollment; please reach out to customerservice@secondcity.com to discuss your options

As of August 1, 2021, we are also requiring masks to be worn in all classrooms and common areas (hallways, bathrooms, stairwells). Masks may only be removed by students when on stage in class shows.

While we're excited to take this next step, we still want to reinforce our commitment to safety with each other, so please do not attend class if you do not feel well. For the safety of all our employees and students, Second City may send home any student who appears ill.

Thank you for being a part of The Second City - we are thrilled to see you soon!
