

Hello Second City Students!

Welcome to your class at our new interim Danforth location!

To continue our commitment to a safe environment conducive for learning, **The Second City is requiring proof of COVID-19 vaccination for in-person students (and staff) in our Toronto building.** On or before the start of your class, all adult in-person students must be fully vaccinated. For Kid & Teen classes, children 12 to 18 years of age must be fully vaccinated. **Starting Monday, March 7th, 2022 all children ages 5 years old and up will be required to show proof of vaccination for any in-person class.** This means you have received all applicable doses of your respective vaccine(s) + have completed the recommended 2 week waiting period after your final dose.

Here's what will happen :

- When you arrive on your first day of class, we will ask you to show your proof of vaccination at the check-in desk (either the physical paper or a photo of it on your phone)
- You will not be admitted to your class without proof of vaccination
- If you are not vaccinated by your first class meeting date, we will transfer you to an online class or provide a different option for your enrollment; please reach out to [customerservice@secondcity.com](mailto:customerservice@secondcity.com) to discuss your options

Per city & provincial guidelines, we are also requiring masks to be worn in all classrooms and common areas (hallways, bathrooms, stairwells, lifts). Masks may only be removed by students when on stage in class shows.

While we're excited to take this next step, we still want to reinforce our commitment to safety with each other, so please do not attend class if you do not feel well. For the safety of all our employees and students, The Second City may send home any student who appears ill.

Please note these policies are subject to change at any time without notice.

Thank you for being a part of The Second City Training Centre - we are thrilled to see you soon!

The Student Success Team
