

Hello Second City + Second City Film School Students. Welcome to your class!

It's been great to see all the happy faces around the building.

We are committed to a safe environment conducive for learning. Masks are optional. Vaccine checks will no longer be conducted. While we're excited to take these steps, we still want to reinforce our commitment to safety with each other, so please do not attend class if you do not feel well. For the safety of all our employees and students, Second City may send home any student who appears ill.

If you are ill or have tested positive for Covid, you may return to class(es) are the following:

- 5 days have passed since symptoms started (or since positive test if never had symptoms)
- No fever for 24 hours without taking fever-reducing medication, and
- Symptoms are improving

Please note these policies are subject to change at any time without notice. Thank you for being a part of The Second City - we are thrilled to see you soon!
