

Hello Second City + Second City Film School Students!

Welcome to your class!

We are committed to continuing a safe environment conducive for learning, **The Second City is no longer requiring proof of COVID-19 vaccination for in-person students in our spaces.** While it is preferred to be vaccinated, it is not mandatory to attend classes or shows in the building.

Masks are optional. Students and employees of The Second City are welcome to wear a mask should they choose.

While we're excited to take this next step, we still want to reinforce our commitment to safety with each other, so please do not attend class if you do not feel well. For the safety of all our employees and students, Second City may send home any student who appears ill.

If you are ill or have tested positive for Covid, you may return to class(es) are the following:

- 5 days have passed since symptoms started (or since positive test if never had symptoms).
- No fever for 24 hours without taking fever-reducing medication, and symptoms are improving.

We will continue to update safety protocols as needed to work along with local and state guidelines.

Please note these policies are subject to change at any time without notice. Thank you for being a part of The Second City - we are thrilled to see you soon!
